

Helpful to achieving the objective		Hamper achieving the objective
Internal origin (attributes of the system)	<p>Strengths</p> <ol style="list-style-type: none"> <li>1. ...I have strong technical skills and understanding which should aid when researching for the MSc, but also in my professional career.</li> <li>2. ....Through my job, I have gained extensive organizational skills, as I often need to run multiple projects or deployments at the same time.</li> <li>3. ....I have a strong work ethic, for both my career and my personal study.</li> </ol>	<p>Weaknesses/Areas for further development</p> <ol style="list-style-type: none"> <li>1. ...I will sometimes procrastinate, rather than do a task. This wastes time, that could be put to a better use. Time management needs to be improved to avoid last-minute rushes for study and work.</li> <li>2. ....Need to work on written skills. I feel able to convey the points clearly, however, I feel that it could often be more succinct and direct.</li> <li>3. ....Need to maintain motivation and focus in studies and career, to be as successful as possible.</li> </ol>

External origin (attributes of the environment)	<b>Opportunities</b> <ol style="list-style-type: none"><li>1. ...I have through the MSc and other personal reading, identified areas to focus on for personal/career benefits, such as CLOUD and PYTHON programming.</li><li>2. ....I enjoy studying/learning in general, so my learning journey will not finish after this MSc is completed. I need to identify relevant opportunities for the next steps.</li><li>3. ....Obtaining the MSc will certainly help my next career steps, if I decide to move on to another role externally to the company I am currently working at.</li></ol>	<b>Threats</b> <ol style="list-style-type: none"><li>1. ...For the MSc, this module was quite difficult, as I feel “studied out” at the moment. I think perhaps due to work/family commitments and other things combining. Need to overcome this feeling for the Project.</li><li>2. .... To do well on the Project, I need to be able to prioritize study time vs other commitments. I have a family, high pressure job, as well as hobbies, so everything needs to be in balance to do well.</li><li>3. ....My Career area is in a constant cycle of change. Need to maintain relevance with skillset and knowledge to avoid being left behind.</li></ol>
